

# THX HEALTHCARE

## CAPABILITY STATEMENT

### ABOUT US

#### COMPANY OVERVIEW

THX Healthcare, a division of The Hirexpress LLC, is a recruitment staffing team that specializes in contingent workforce staffing and permanent direct hire placements of nursing professionals, allied health workers and non-clinical roles. Our operations are based on 25 years of experience working with the healthcare staffing industry in the US supporting major hospital systems across 50 states. Our extensive network of healthcare professionals is available to provide a strong staffing support.

#### CORE COMPETENCIES

##### HEALTHCARE STAFFING

THX has a solid healthcare arm focusing on job placements for Registered Nurses of all specialties, Licensed Vocational/Practical Nurses, Certified Nursing Assistants, Case Managers, Technicians, Therapists and hospital administration staff.

##### TRAVEL CONTRACTS, LOCAL CONTRACTS AND PERMANENT PLACEMENTS

With seasoned healthcare recruiters and staffing managers, THX guarantees a streamlined processes in securing contract, temp to perm and direct hire roles.

### VISION AND MISSION

Our vision is to be a major player in the healthcare staffing industry with a solid reputation as a trusted partner known for its excellence and top quality of service. We aim to support the industry in creating and sustaining a strong and competent healthcare workforce.

### WHAT SETS US APART

#### HEALTHCARE EXPERTISE

Our management is supported with knowledge, expertise and experience spanning two decades dealing with major hospital systems.

#### QUALITY SERVICE

Supported by healthcare staffing professionals with extensive experience and solid background in the industry, we ensure we cover all aspects of our operations - delivery, HR, payroll, onboarding, compliance and clinical teams - with utmost consideration to client and employee satisfaction.

#### ESSENCE OF PATIENT CARE

At the heart of our organization is the most important aspect of our existence - we aim to find the best candidates for our ultimate end client -the patients. It's real healthcare.
